Available Colors

Mini-Logo™ Decks are manufactured from the same raw materials and use the same unique "AirLam" presses as our top of the line Powell decks. The only difference is the graphics. We offer the most popular shapes and concaves at a fraction of the price with a life-long warranty. Mini-Logo decks come in five assorted full-length colors with an added layer of SST (super slide treatment). Mini-Logo decks are the best for less.
